

Bonsai Society Notes for  
The South West Bonsai Show  
7 - 8 May 2023

- f Each society space will be made from three typical 'village hall' sized tables giving the overall size of 5.5 x 0.76 m.
- f The tables will be covered in black material that will be held in place by being stretched across the top and down to the floor being held in place by the four feet of each table that will be supplied.
- f It is the responsibility of the society to provide any showing tables, accents, jitta and structures for variation in height that may be required for the display.
- f Please supply your own water sprayers, dust pan and brush, pot cloths and associated accessories.
- f There will be a 'Display Assessment' of each society presentation by at least one fully accredited and qualified RHS Judge with a prize to whom is considered the best in show.
- f Nothing should be attached to the backdrops in any way please, including scrolls – as the backdrops are somewhat fragile!
- f There is a back access to the hall (top left on the room plan) from the staff car park. It is hoped the RHS will provide some trolleys for moving trees and equipment from cars to the hall although the ground is a bit rough!
- f On entry to the staff car park there is a small 'No Entry' sign that you should carefully ignore due to possible on-coming traffic just before you bear right into the staff car park.

- It is expected that each society will have its own insurance to cover them during this show.
- Saturday, 6 May 2023 will be available for setting up your display; it is assumed that you shall dismantle and remove your display after 16:00 hours on Monday, 8 May 2023.
- Please let us know when your society expects to arrive and roughly how many folk will be in your party. This will enable us to email to you sufficient passes for free entry to RHS Rosemoor.
- It is appreciated that very often the decision and choice of which tree to bring to a show can be as late as the day before the event! The matter of labelling the tree for the benefit of the public is therefore almost an afterthought. Having said that, if at all possible please produce a label. Just to provide the ultimate label goal the RHS layout is outlined below:

White Pine  
*Pinus parviflora*  
Informal upright style  
Approx date of origin: 1973

- Font: 12pt black Calibri
- Latin name in italic
- Spacing between lines: 6pt
- White paper or board 8 x 4 cm
